Education

Georgia State University, Honors College – Atlanta, GA   **August 2023 - May 2025**

Bachelor of Science in Computer Science
- **GPA: 3.94**, *Dean's list, Zell Miller Scholarship.*
- **Relevant Coursework:** Data Structures, Principles of Computer Science I & II, Theoretical Foundations of Computer Science, Calculus I & II.
- **Programming Languages:** Java, Python, CSS, HTML, Vue.js.

Projects

Digital Technology virtual experience program - GE Aerospace, Forage   **October 2024**
- Completed a Vue.js UI development simulation for the Frontend Development Team, demonstrating proficiency in Vue SFC Playground.
- Applied Vue.js skills by adding features like headings, images, and dynamic variable displays. Implemented a compute button for efficient user interactions.
- Drafted clear technical requirements for a feature, suggesting optimal order times for plane parts.
- Explored strategies to align technical specifications with business requirements, ensuring effective solutions.

Online Doctor Consultations Website   **November - December 2024**
- Currently developing a website on CodePath designed to improve healthcare access by enabling users to consult with doctors online, minimizing the need for in-person visits.
- Applying web development skills in HTML, CSS, JavaScript, and Flexbox to create responsive, user-friendly interfaces.
- Implementing features such as healthcare news updates, and a newsletter signup for users to stay informed on health topics.
- Focused on creating a socially impactful platform that makes healthcare more accessible and convenient for users.
- Gained leadership and communication skills by collaborating with peers, discussing strategies, and exchanging feedback.

Work Experience

Babysitter | Self-Employed   **September 2022 - Present**
- Managed schedules, ensuring timely completion of activities, demonstrating strong organizational and time management skills.
- Developed creative activities to keep children engaged and entertained, and demonstrated patience and adaptability.
- Communicated effectively with both children and parents, enhancing interpersonal and collaboration skills.
